FAQ

1. What is the requirement of Skechers members?

Spend \$250 through multiple receipts within 3 months to be eligible for Skechers membership and earn points from the next transaction.

2. Is the points system applicable in all Skechers Stores?

It is applicable in all concept stores excluding franchise stores (Suntec City, Velocity and People's Park Complex) and OG departmental stores.

3. Can Skechers members enjoy discounts in OG departmental stores and franchise stores?

Yes, members have to flash their membership card to enjoy the discounts. The discounts are 15% off regular priced items on Lifestyle shoes and 10% off regular priced items on Performance shoes only.

4. Which stores are allowed to apply for Skechers membership?

New customers can apply for membership using receipts from all concept, outlet stores and franchise stores. Transactions made in OG departmental stores can only apply membership in any concept or outlet stores.

5. What is the expiry period for the points?

Points accumulated will expire in 12 months from the first transaction as Skechers Member.

6. Can the membership gift vouchers be used for other promotions or discounts?

The cash vouchers are valid for all regular-priced items, sales items and accessories. You can also accumulate the vouchers to redeem together.

7. Do Gold Members get another \$50 Welcome Voucher if I clocked 600 points again?

Yes, Gold VIP members will receive another \$50 Voucher if they qualify on yearly basis. Only ONE \$50 Welcome Voucher will be issued to each Gold Member every year.

8. I'm an existing member, do I need to accumulate \$250 purchase to qualify?

All existing members will port over to the new VIP Programme and you can start earning points right away.

9. Do I need to redeem the \$20 Voucher once I hit 200 points (180 points for Gold Member)?

No, you do not need to. You can continue to accumulate more points & redeem as you wish. Gentle reminder, do redeem before the points expire in 12 months.

10. How do I get the additional 20 points & what do I need to complete for my profile?

Existing members can update their profile at any Skechers store and complete all fields (name, contact number, date of birth, email) in order to qualify for the 20 points.

11. Will my Skechers membership expire?

Your Silver Skechers membership is a lifetime membership, the points expire 12 months from transaction date. Gold membership expire in 12 months if you do not clock another 600 points, for which your membership status will automatically be converted back to Silver.

12. How many times can I use my birthday double points privilege?

Your birthday privilege is only valid for one-time use in your birthday month. The first transaction made during your birthday month (calendar month) will be issued double points.

13. Can the card be utilized in outlet?

Points redemption is available in outlets and members will not receive any membership discount.
